#### DIY Advent Calendar

Print the house templates of the next page.

Cut out the outlines of the houses and the inside of the windows.

Add glue to the borders of the houses and stick together to form the walls of each house.

Place a Ferrero Rocher inside each house.

Cut the gold paper into the roof shapes, peel off the adhesive backing paper, and place on the roofs of each house.

Cut out the smaller circles, hole punch each one and apply a number sticker to each small circle.

Use the small pegs to attach a tag to each house and close up the roofs.
