STEP-BY-STEP TUTORIAL

DIY Tree Ornament

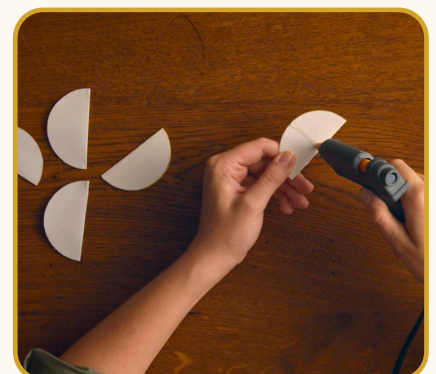

Use the compass to draw circles on the white side of the golden paper

Fold a golden circle in half and use the ruler to reinforce the fold.

Apply glue to just the corners of the golden side papers and stick them together.

Glue the white side of the golden papers together.

Repeat steps 2, 3 and 4 until you reach your desired thickness and shape, but don't close the circle just yet.

Cut the golden string to your desired length and glue it in the centre top of the ornament.

Cut the golden string to your desired length and glue it in the centre top of the ornament.

Glue the final pieces of the ornament together to create a bauble shape.
