 STYROFOAM POLE

STEP-BY-STEP TUTORIAL

Golden Pyramid Centerpiece

Trace 6 different sized circles onto the styrofoam board and cut them out.*

Cut the pole to place in between the circles to create different floors.

Glue the sections of pole onto each circle to create the centerpiece structure.

*check the next page for measures of the different elements of the pyramid.

Spray the structure with gold spray.

Once dry, place Ferrero Rocher pieces on each level.

MEASURES FOR THE ELEMENTS OF THE PYRAMID
